Emergency Information/ Late Pick-up Policy

It is extremely important that on the registration form, or on file, you list someone other than yourself, your spouse or legal guardian, who can be contacted in case of an emergency. It needs to be someone within this area.

It is also important you keep the Village Nursery School informed of any changes in who may be contacted in such emergencies. Any changes in phone numbers or where you may be reached, such as job, home, or cell phone numbers, need to be kept current and on file with the school.

Village Nursery School will be responsible for the child's protection and well-being until the parent/spouse, legal guardian, emergency person or outside authorities arrive.

1. A parent/spouse, legal guardian will always be the first person we will try to contact. If we are unsuccessful, we will continue with the person listed as the emergency contact.
2. If it is a medical emergency, we will try to reach parents/spouse/legal guardian or emergency person immediately. If unable to reach one of these three, we will continue by contacting outside authorities, such as police or fire dept.

Late Pick-up Policy

1. If your child has not been picked up within 15 minutes after class has ended and you have not notified us, we will begin calling, starting with parent/spouse/legal guardian or listed day care provider and emergency contact person.
2. If no one can be reached after calling and after 15 minutes of trying, we will then contact the police dept. and go from there.
3. If we need to call someone to pick up your child after the first 15 minutes after class has ended, you will be given a dated notice of late pick-up and one will be kept on file.
4. After two notices, you will be charged a late fee of \$15.00, which will be added to the next month's tuition.
5. After four notices, it will be reviewed within 10 days, with the possibility of immediate dismissal.

These rules and policies are for your child's safety and for Village Nursery School's liability. We recognize the possibility of exceptions and will do all we can to ensure the safety and well-being of each and every child enrolled here. Discussions of these policies will be between the Parents/Legal Guardian and the staff, not with the child involved.

Financial Agreement with Village Nursery School of Roscoe Methodist Church

Accepted and approved: Date _____

The Village Nursery School is a nonprofit organization. We operate on a narrow financial margin and can at no time carry a large cash reserve. This organization must be assured of current operating income and know in advance how much working capital it will have during the school term.

There is no minimum number of students per class: however, in case of extremely low enrollment for a particular class, we reserve the right to cancel that class. We would notify you as soon as possible and we would refund your tuition payment.

The cost of tuition for the school year is averaged over nine payments. It is agreed that the under-signed parent(s) will pay a full month's tuition regardless of whether or not the child has attended school each day during the month.

As part of this agreement, a one hundred-dollar (\$100) registration fee is due at the time of registration and is **non-refundable**. **The first tuition payment is also due at the time of registration**. Eight subsequent tuition payments are due on or before the 15th of each month beginning in September, through the following April. If the student is withdrawn from the class prior to July 28th, 2023, the first tuition payment may be refunded; **after July 28th tuition will not be refunded**.

Tuition is one hundred and seventy-five dollars (**\$175.00**) a month for the two-day a week sessions, and two hundred and twenty-five dollars (**\$225.00**) a month for the three-day a week sessions. All class sessions are 2 ½ hours. Morning sessions are 8:30-11:00AM and afternoon sessions are 12:00-2:30PM.

- Monthly tuition payment, except for the first payment which was paid at the time of registration, is due by the **15th of each month**, beginning in September.
- If not turned in by the **20th of the month**, there will be a **\$10.00 late fee** added to the tuition amount.
- If not received by the end of that month, **unless you have contacted VNS and made arrangements, your child will not be allowed to attend class until the tuition amount is received.**

It is agreed that a child not toilet trained or a child whose social or emotional behavior makes it difficult for said child to function as part of the regular preschool routine, may be dismissed at the discretion of the Director, with the approval of the Village Nursery School Board.

The undersigned parent(s) agrees to enroll _____,
